

EXTRA EXPENSE INSURANCE COVERAGE FORM

1. Indemnity Agreement

The insurer agrees, in consideration of the payment of the premium, to pay the necessary "extra expense" incurred by the Insured in order to continue as nearly as practicable the "normal" conduct of the Insured's business during the "period of restoration" following damage or destruction by the perils insured against, to the property insured on this policy. Payment under this agreement shall not be limited by the date of expiration of this policy.

2. Amount of Insurance

The insurer's liability shall in no event exceed the limit of liability which is stated on the Declaration Page.

3. Resumption of Operations

As soon as practicable after any loss, the Insured shall resume complete or partial business operations of the property described and, in so far as practicable, reduce or dispense with such extra expenses that are being incurred.

4. Interruption by Civil Authority

This coverage is extended to include the necessary "extra expense" incurred during a period of time, not exceeding 2 weeks, while access to the described premises is prohibited by order of civil authority, but only when such order is given as a direct result of damage to neighbouring premises by a peril insured against.

5. Additional Exclusions

The Insurer shall not be liable for:

- a. any increase of loss directly or indirectly, proximately or remotely, resulting from, or contributed to by the operation of any bylaw, ordinance or law regulating zoning or the demolition, repair or construction of buildings or structures unless the liability is otherwise specifically assumed by endorsement hereon;
- b. any increases of loss caused by delays or loss of time due to the presence of strikers or other persons or to labour disturbances on or about the premises interfering with the rebuilding, repairing, or replacing the property damaged or destroyed or the resumption or continuation of business or free access to or control of the premises or due to the action of sympathetic strikers elsewhere;
- c. loss due to fines or damages for breach of contract for late or non-completion of orders, or for any penalties of whatever nature;
- d. loss due to the suspension, lapse or cancellation of any lease or license, contract or order;
- e. The cost of compiling books of account, abstracts, drawings, card index systems or other records including film, tape, disc, drum, cell or other magnetic recording or storage media for electronic data processing.

6. Definitions

- a. "**Extra expense**" means the excess (if any) of the total cost during the "period of restoration" for the purpose of continuing the Insured's business over and above the total cost that would normally have been incurred to conduct the business during the same period had no loss occurred. The cost in each case to include expense of using other property or facilities of other concerns or other similar necessary emergency expenses. In no event, however, shall the Insurer be liable under this Form for loss of income nor for "extra expense" in excess of that necessary to continue as nearly as practicable the "normal" conduct of the Insured's business, nor for the cost of repairing or replacing any of the described property that has been damaged or destroyed by the perils insured against, except cost in excess of the "normal" cost of such repairs or replacements necessarily incurred for the purpose of reducing the total amount of "extra expense"; liability for such excess cost however, shall not exceed the amount by which the total "extra expense" otherwise payable under this Form is reduced. The Insurer shall also be liable for "extra expense" incurred in obtaining property for temporary use during the "period of restoration" necessarily required for the conduct of the Insured's business; Any salvage value of such property remaining after resumption of "normal" operations shall be taken into consideration in the adjustment of any loss hereunder.
- b. "**Normal**" means the condition which would have existed had no loss occurred.
- c. "**Period of Restoration**" means the length of time commencing with the date of loss that is required, with the exercise of due diligence and dispatch, to repair, rebuild or replace the property insured on this policy that has been damaged or destroyed.

All other terms and conditions of this Policy remain unchanged.
